Each rostered player must complete a waiver form prior to playing or practicing. **All players are required to sign-in at the rink office prior to each game.**

Practices: One full-rink, one hour practice is included, on a space available basis. Practice must be used prior to the end of the regular season.

Rivertown Sports reserves the right to determine an individual player's skill level rating to be used to ensure competitiveness within the divisions. We also reserve the right to remove any player from a team, or team from a league, whose skill level is substantially above that of the league the team is playing in. New teams or teams making changes to their roster should check with management for guidance on skill level placement for their team. I understand that I am responsible for full/on-time payment of my team's league fees and turning in all individual player waiver forms. I also understand that there will be penalties, as stated above, if my team's league fees are not paid on time. In addition, I understand that I may be held financially liable for damage to the facility done by members of my team including, but not limited to, broken floor tiles, locker room damage, etc.

I acknowledge that I am entering into a contract that requires payment as stated above.
